

Sunshine State Jack Russell Terrier Club (Russell Mania I and II)

This year we made the journey to Williston Florida to see how our terriers performed both in the ring and out in the field. The trial was held at Horseman's Park November 7 and 8. The weather couldn't have been better with mid 70's and dry breezy conditions making it just perfect all around.

Thanks to Judy Tyno and The Sunshine State JRTCC for an excellent venue and warm hospitality.

The Saturday events brought some pretty impressive results for the Canadian group

As if the trial wasn't enough we travelled over to Merritt Island for a few more days of sunshine and fun at Orlando Sea World. Many thanks to Liz and Eddie Moran for opening their home to the Canadian Invasion. We're very proud of our Canadian Terriers and hope to venture down to many more events in the future.
