# Jack Russell Terrier Club of Canada

The Jack Russell Terrier Club of Canada invites all Jack Russell Terrier admirers and owners to join the Club in its efforts to preserve the historic conformation and working qualities of this wonderful, versatile dog.

To this end, we maintain a breed registry, hold trials and fun days and keep members in touch via our website. [Membership](#)

## Terms and Conditions – Conflicting Organization

**Annual Dues are due & payable January 1<sup>st</sup>** each year in Canadian Funds (Please note that American money will be accepted at par). Membership is awarded in accordance with the rules and regulations of the JRTCC. Membership may be terminated, suspended or refused by the JRTCC Board of Directors for any conduct likely to prejudice or damage the Club or compromise the Jack Russell Terrier.

### **The JRTCC expressly prohibits:**

- Jack Russell Terriers owned by its members and / or registered with the JRTCC
- JRTCC members, with or without their terriers

From participating, or officiating/ judging at any events that are sponsored, produced, sanctioned by or associated, affiliated or allied with, or related in any way to organizations that are considered **conflicting organizations** by the JRTCC, which consideration shall be defined at the sole discretion of the Executive of the JRTCC, should that be necessary.

The JRTCC is adamantly opposed to recognition/ registration of the Jack Russell Terrier by ANY all-breed kennel club, as it is believed to be detrimental to the preservation of the individuals who support the JRTCC's principles. Registration of Jack Russell Terriers for any variant thereof with any all-breed kennel club, or membership in any organization that supports all breed kennel club recognition/ registration, is not acceptable for application to membership in the JRTCC.

The Jack Russell Terrier is a unique working Terrier that has remained virtually unchanged for more than 100 years because it has been preserved for work. It is an unspoiled type or strain of working terrier with unique character, working ability, great intelligence, sound physical structure and broad structural differences within the standard. These characteristics must be maintained to preserve this terrier as it remains today. The JRTCC's unique registry with its strict inbreeding limitations and health requirements, breed standard, Breeders Code of Ethics, and working certificate, sanctioned judges and field trail programs are all designed to do just that. All those who support the JRTCC's principles are welcome and encouraged to join the JRTCC and help us preserve this great little terrier.

Members should note that this policy applies **only** to the participation or exhibition of Jack Russell Terriers in such events, and not the participation or exhibition of other breeds or types of dogs owned by a JRTCC member.
