About Us

Who is the JRTCC?

The Jack Russell Terrier Club of Canada Inc. (JRTCC) is the national club for Jack Russell Terrier fans. Founded in 1989 and incorporated in 1991, the Club is an affiliate of the Jack Russell Terrier Club of Great Britain. Our members include internationally recognized breeders, working terrier people and pet owners.

Our Mission

The Club and its affiliates are dedicated to preserving the working Jack Russell Terrier (JRT) and proudly maintain the national registry for the Jack Russell Terrier in Canada. Our guiding principle is to promote the breed's historic conformation while keeping the working ability in the forefront. In other words, our goal is that the Jack Russell Terrier should remain a bright, alert, well-rounded dog, with the form, endurance and drive to go to ground after their quarry.

Want to know more about the club? Visit our website at www.JRTCC.ca

Important Notice

Historically, the JRTCC National Trial attracted more than 200 dogs, with many participants coming from our sister organization, the JRTCA in the United States. In recent years, however, American participation has declined significantly. This decline has had a meaningful impact on National Trial revenues. We remain deeply appreciative of the support and involvement of our U.S. members, who have made invaluable contributions as exhibitors, judges, volunteers, and friends of the club.

Rising event costs and lower participation have created financial challenges for the JRTCC. The Board has taken a careful and realistic look at our situation and is committed to ensuring the long-term sustainability of both the club and the National Trial. We believe we can continue to succeed as a strong Canadian organization, but doing so requires us to adapt, manage costs responsibly, and develop new sources of revenue.

Over the past several years, we have welcomed new breeders, newer and younger board members, and strengthened our collaboration with the Jack Russell Terrier Rescue of Ontario (JRTRO). We are in a period of renewal and growth, with plans to increase membership, broaden engagement, and support our mission as the original registry for the Jack Russell Terrier in Canada, in affiliation with our sister clubs.

As part of these efforts, this year's National Trial is being run on a leaner budget. One of the changes participants will notice is a reduction in the prizes awarded in each class. This is one of several measures that will help ensure the continued success and viability of the event.

What will not change is the spirit of the National Trial. We are confident that it will once again be a wonderful weekend filled with enthusiastic competition, exceptional dogs, and the camaraderie that has always made this event so special.

We sincerely appreciate your understanding, support, and commitment to the JRTCC.

General Information and Rules

For Exhibition Only (FEO) Classes

To increase revenue and expand participation, we have added FEO (For Exhibition Only) classes for non-registered/recorded Jack Russell Terriers in our Performance Championship events: Racing, Go-to-Ground, and Super Earth. FEO entries will compete in separate classes and will be eligible for first through sixth place awards. However, dogs entered in FEO classes are not eligible for Championship or Reserve Championship placements.

Participation Requirements for People and Terriers:

- All classes are open to Jack Russell Terriers only.
- All terriers must register in their age group only for duration of the National trial.
- Exhibitors and owners must be current voting members of the JRTCC. Associate members may upgrade their membership at any time prior to applying for entry in the National Trial.
- Veteran Terriers - 6 years and older / Senior Terriers - 9 years and older.
- All terriers over one year of age, participating in sanctioned events, must be registered, or recorded with the JRTCC or JRTCA or JRTCGB. - Bitches in season and Puppies under 3 months of age are not permitted on the trial grounds, thus may not compete in any division. Any exhibitor showing either will be excused, with no refunds, from ALL classes and directed to leave the trial site.
- All changes/moves within Conformation to be completed **1 hour** prior to any Conformation classes starting each day of the trial.
- Racing and agility do not accept same day entries.
- New members wishing to exhibit may submit membership applications/dues, with entries, by the deadline.

Sportsmanship

Sportsmanship is at the heart of everything we do at the Jack Russell Terrier Club of Canada's National Trial. Whether you're a seasoned competitor or attending for the first time, the spirit of respect, camaraderie, and fair play defines the experience for both people and their dogs. We believe that celebrating one another's successes, supporting fellow competitors, and handling both victories and disappointments with grace are what truly strengthen our community.

Good sportsmanship creates a positive environment where everyone feels welcome, encouraged, and proud to be part of something bigger than themselves—our shared love for the Jack Russell Terrier and the values that unite us as a club.

To help maintain this positive atmosphere, all participants are expected to treat judges, trial officials, volunteers, committee members, and fellow exhibitors with courtesy and respect at all times. Unsportsmanlike conduct, abusive behaviour, or rudeness toward any participant or event official may result in immediate removal from the grounds at the discretion of the Trial Committee. No refund will be issued.

Please be kind, courteous, patient, and supportive of one another. Together, we can ensure a welcoming and enjoyable experience for everyone.

Thank you.

Land Acknowledgment

“We acknowledge that we are on the traditional territory of the Anishnawbe, Haudenosaunee and Neutral peoples. In Kitchener, Waterloo, Cambridge and Brantford we are on the traditional territory of the Neutral, Anishnawbe and Haudenosaunee peoples.”

Anishnawbe peoples: Also known as Ojibway/Chippewa/Mississauga/Algonquin, their original ancestral home was located on the north shore of Lake Huron, at the mouth of the Mississagi River. During the 17th century, the Anishnawbe split, with groups migrating east to the Bay of Quinte and South into what is now known as south-western Ontario (from Toronto to Lake Erie). During the 18th century, the Anishnawbe began losing land due to European settlement and the northern movement of the Haudenosaunee into south-western Ontario. Today, Anishnawbe in south-western Ontario include the Mississaugas of the Credit First Nation, Aamjiwnaang, Chippewas of the Thames First Nation, and the Chippewas of Kettle and Stony Point.

Haudenosaunee peoples: Also known as Six Nations and Iroquois, are various nations that formed what is known as the Haudenosaunee Confederacy. It originally consisted of five Nations: Cayuga, Oneida, Onondaga, Mohawk, and Seneca, but in 1722, the Tuscarora joined to form the Six Nations. The Haudenosaunee reside in parts of Ontario and Upstate New York. The largest reserve in North America is the Six Nations of the Grand River, located near Brantford, Ontario. Other communities where Haudenosaunee reside include Tyendinaga, Awkwesasne, and Oneida Nation of the Thames, to name a few.

Neutral peoples: Called the Neutrals due to their tendency to avoid conflict, and "Attawandaron" by the Hurons. They are made up of many distinct nations. They were decimated by colonial diseases during early colonization and any remaining members were mostly adopted into the Haudenosaunee Confederacy.

Kitchener-Waterloo and Brantford are both located on the Haldimand Tract, which, on October 25, 1784, after the American Revolutionary War of Independence, was given to the Six Nations of the Grand River and Mississaugas of the Credit First Nation by the British as compensation for their role in the war and for the loss of their traditional lands in Upstate New York (www.sixnations.ca, <http://mncfn.ca>). Of the 950,000 acres given to the Haudenosaunee (six miles on either side of the Grand River, all the way along its length), only 46,000 acres (less than 5 per cent) remain Six Nations land (www.sixnations.ca) and 6,100 acres remain Mississaugas of the Credit land.
